

## June 2006

The Nelson Children's Center in Denton is blessed to have dozens of volunteers who help enhance its ministry to abused, neglected and troubled children. In April, volunteers spent 587 hours providing Bible studies, chapel services, theater classes, tutoring and gardening classes. Some volunteer groups painted the art room and library. Volunteers also serve on the advisory board. To volunteer at the Nelson Center email [NelsonVolunteer@LSSS.org](mailto:NelsonVolunteer@LSSS.org), or call Kristy McKinney at (940) 484-8232.

Do you believe every child deserves a permanent, loving home? Do you share a strong desire to love and care for children? Have you thought about adopting a child? Through a partnership with the Wendy's Wonderful Kids Initiative, LSS is working to find homes for foster children who are legally available for adoption. Please contact LSS Adoption Recruiter Kalebra Henderson at [KHenderson@LSSS.org](mailto:KHenderson@LSSS.org), or call (800) 622-6697.

Foster children in Amarillo will benefit by donations of new and gently used children's clothing from Trinity Lutheran Church. The LSS Amarillo office could use volunteers to answer the phone, file and help with other office duties on weekdays. Call LSS Area Director Rhonda Price at (806) 351-0168 or email [RPrice@LSSS.org](mailto:RPrice@LSSS.org).

The LSS Buena Vida Day Centers in El Paso serve more than 225 elderly and disabled adults each year. This ministry also helps caregivers. For example, while an elderly loved one is at a center, the son or daughter can go to work. The day centers work with caregivers to deal with problems they face while caring for an elderly or disabled loved one. Call Peter Nicolaou at 598-5403 or [click here](#).
